

1 passed and the Governor vetoed that bill, it would carry
2 over to the next session. If this amendment is adopted,
3 the Legislature could force the Governor to call them
4 back in session and immediately pass, enact a law where
5 he was vetoed rather than the cooling off period which
6 is now provided.

7 THE CHAIRMAN: Mr. Sayre?

8 MR. SAYRE: I accept an amendment. Where it
9 is simply three-fifths of the General Assembly.

10 MR. SCANLAN: Of each House.

11 MR. SAYRE: You would not accept as the body
12 as a whole?

13 MR. SCANLAN: That would be inconsistent
14 with the three-fifths throughout the document.

15 MR. HOFF: As a matter of fact, the purpose
16 of this amendment would be to eliminate this provision
17 in here about the extension of 30 days, because any three-
18 fifths vote or signature of three-fifths of each House
19 could call the Legislature back into continuous session
20 which is what we are trying to avoid.

21 THE CHAIRMAN: Any further discussion? Ready
